**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS
ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**

To the Board of Trustees of
Georgia Tech Research Corporation and
Georgia Tech Applied Research Corporation:

We have audited the financial statements of the business-type activities and each major fund of the **Georgia Tech Research Corporation** and **Georgia Tech Applied Research Corporation**, (collectively the "Research Corporation"), as of and for the year ended June 30, 2007, which collectively comprise the Research Corporation's basic financial statements and have issued our report thereon dated November 15, 2007. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Research Corporation's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards for Georgia Tech Research Corporation, Georgia Tech Applied Research Corporation, and Georgia Institute of Technology is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. We did not audit the financial statements of Georgia Institute of Technology which represent 20% of the expenditures in the accompanying Schedule of Expenditures of Federal Awards. Such information related to the Research Corporation has been subjected to the auditing procedures applied in our audit of the Research Corporation's basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements of the Research Corporation taken as a whole.
